->>>>>>> [READ BOOK](#) [The Adventures of Arnold. A. Airplane: Arnold's Christmas Question](#)

While flying along the wintery season, Arnold sees all the townspeople scurrying to and hurrying from buying Christmas presents for everyone on their lists. This causes him to wonder where the tradition of giving gifts at Christmas began. He wonders who might be able to answer his questions then remembers a jolly old man named Santa and decides he will travel to the North Pole and ask him his question. Arnold has another exciting learning adventure.

Review:

Arnold teaches a valuable lesson about the true meaning of Christmas that will be treasured by young and old for years to come. There is something about the persona of Arnold that is not only endearing but authentic and rings true and pure in hearts. May Arnold have many more adventures to come, filled with delightful illustrations and

Words written with tenderness, kindness and love.
